

Nature-inspired Jewelry Trend

Nature-inspired [Jewelry](#) has become one of the hottest trends in Hollywood today! Tons of celebrities are sporting [nature jewelry](#) with both elegant formal wear and casual everyday looks. **Snake jewelry** is one of the most popular styles of nature-inspired **jewelry**. Of course, [silver jewelry](#) is the exception as well not.

For centuries, people have crafted nature-inspired [jewelry](#) in appreciation of the world around them. In the Victorian period, romantic notions about the natural world caused a flourish of nature-inspired **jewelry** and art. [Flower](#)

[jewelry](#) and images of animals were very popular styles; Victoria herself loved snake [jewelry](#) and believed the serpent motif represented fidelity and love. The more people learned about plants, animals, and the oceans, the more they were moved to create nature [fashion jewelry](#) and nature inspired **jewelry**.
